connecting families for over 30 years

Become an Active Voting Member of the DSALA

The DSALA is a Service Organization

The DSALA belongs to the community of the Greater Los Angeles area. We are all part of the community, and that means we serve you.

We do our best to listen to the community. Programs, suggestions and ways that we spend funds are decided based on community feedback and our active voting members. You can become an active voting member when you are recognized by the board to have hands-on involvement with the organization.

Here are two ways you can become an active voting member:

1 Talent Share

Do you have a particular talent, special gift, or expertise that you would like to share?

Maybe you're a wiz at swinging a hammer and would like to help out at the annual Snow Day.

Are you a Picasso with a paint brush? Or maybe just really good at addressing envelopes?

Please share your talents with us. Let us know what you like to do, or if you have a specialty. We will keep your talents on file and call if we have the need, and of course you may let us know if you are available. . Maybe you will be able to help us out, and make some new friends.

name _____ talent to share _____

phone number _____ email _____

2 Committees

Let us know what interests you and get involved. The ideal committee would be comprised each of 2 co-chairs + members. This structure helps all members to be involved. Share, share, share. We're all in this together.
