

Heart & Halo Talent *fact sheet*

*A casting liaison service from the Down Syndrome Association of Los Angeles
315 Arden Ave., Suite 25, Glendale, CA 91203 818-242-7871 www.dsala.org*

Who: The casting liaison service is offered to any child or adult with Down syndrome (or other developmental disability) who wishes to pursue a career in acting, modeling or entertainment. H & H will provide its services for any individual, no matter where they reside; H & H is an international service.

What: Heart & Halo Talent will promote their talent and submit head shots, resumes and contact information to potential employers. H & H will also bring opportunities to its talent from potential employers' disability and diversity programs. H & H will also assist talent in gaining talent agent representation when needed. If /when talent has agent representation H & H will submit all talent materials with agency contact information included.

When: The services of H & H will be available to whoever completes the contact information form and signs the consent for release of information and provides appropriate materials requested; i.e. head shot/photo and resume.

Where: Heart & Halo Talent is a service of the Down Syndrome Association of Los Angeles and will submit talent information to the Hollywood Community as well as any other geographic area that requests talent.

Why: The services of Heart & Halo Talent has been created to meet the ever growing need for talent with Down syndrome and developmental disabilities. H & H will also provide information about the industry and support to its talent to better prepare them to work in the industry.

How: Heart and Halo Talent will reach out to DSALA Members and other affiliate organizations with information and workshops. H & H will assist clients in developing their resume and choosing head shots.
