

Art with Marc at DSALA

The objective of this art class is to learn, create, and have fun. Students will use art therapeutically as well as a platform to express themselves while unlocking their creativity! Monthly fieldtrips will increase their knowledge of art!

The students will learn:

- 5 different techniques of printmaking:
 - Roll Out Printing.
 - Styrofoam Printing
 - Bubble Printing
 - Dry Glue Printing
 - Monotype Printing
- Art History

This class is for individuals ages 8+.
