

Ceramics Class

DSA | Los Angeles

Down Syndrome Association of Los Angeles, Inc.

support | awareness | connections

This class will introduce students to building with clay. Students will learn to use tools to detail their art pieces. They will learn techniques to make various bowls, cups, and pots. Various glaze and decoration techniques for finishing work will be introduced to express their imagination and creativity.

10 weeks, after a 9 week program the students and their selected works will be displayed in an art show .

The students will:

- Learn the fundamental techniques of clay sculpture.
- Experiment with different glazes.
- Improve their visualization skills and manual dexterity.
- Work in an environment which encourages creativity and self-expression
